

Admissions Policy

Introduction

King's College schools in Spain are co-educational independent day schools (with a boarding house at Soto) for pupils aged 20 months -18 years (Soto), 20 months -18 years (Alicante), 18 months to 18 years (Murcia), 20 months - 16 years (La Moraleja, KCS) and 20 months – 7 years (Chamartin).

Offers of places are based on a judgement about whether a child will thrive in our educational environment. Thus, the later the stage in a child's school career when an application is made, the more likely it is that there will be a requirement for existing proficiency in spoken and written English.

Children may be admitted to any year group provided that there is space, though entry into Year 11 needs to be approached with caution since this year is the second phase of a two-year course (iGCSEs).

For the purposes of entry applicants' ages are calculated according to Spanish custom, with a 1 January birthday watershed. In cases where applicants apply from a different education system or country, the year group on entry will be considered sequentially according to their previous education system.

In exceptional circumstances, an applicant may have fallen behind in his/her education due to illness, time spent abroad, etc. In such a case, the school may offer a place in a year lower than the applicant's age would normally imply. Likewise in exceptional circumstances, the school may also offer an applicant a place in a year ahead of his/her chronological age group if it is deemed by the Head to be in the pupil's best interests to do so. Parents or guardians will be consulted before such an offer is made, but the decision as to the appropriate year for the applicant, considering all the relevant circumstances, is a matter for the Head, whose decision is final.

This policy and its procedures have been authorised by the King's Group Board. The Board delegates authority to the Heads of the schools to identify applicants whose academic and other abilities appear to match the ethos and standards of the schools, and whose personal qualities suggest that they have the potential to contribute sufficiently to the school community and benefit from the many opportunities that are offered.

This policy is for guidance and will be adapted by the school from time to time as circumstances require.

Most sections of this policy apply to all King's College schools. The sections covering procedures vary slightly between schools.

Policy and procedures

Throughout the admissions procedure King's College School's policy is to ensure the best interests of the pupil educationally. To this end:

- All prospective pupils must undergo a selection process which varies according to their age (see information below on the different sections within the school).
- Following this selection process, admission to the school requires the approval of the Head of KCS.
- Once an application is in process KCS may contact the child's current school for a confidential reference.
- The school reserves the right to refuse admission to candidates whom it considers will not benefit from the educational programme offered by KCS.
- When allocating places, the Head may at his/her discretion also take the following into account (in no particular order):
 - a) academic performance and potential
 - b) pupil's ability to offer excellence within a particular facet of the school's extracurricular programme
 - c) pupils with brothers or sisters in the school
 - d) children with one or both English speaking parents
 - e) children from families who are relocating to Spain
 - f) children of former King's College School pupils
 - g) pupils at other King's Group schools
 - h) pupils at other Inspired Education Group schools

However, children's admission to the school is subject to the selection process for the appropriate age group and the availability of places in the appropriate year group.

Foundation Stage and Key Stage 1 (Pre-Nursery – Year 2)

Entrance to the Infant Department and Key Stage 1 requires an interview with the parents and the child. Where this is not possible or where appropriate, reports from previous schools (nursery/crèche) or Pre-Nursery should be presented.

If it is felt that the child is not progressing adequately even by the time he/she is in Reception, parents may be asked to find alternative schooling for their child at the end of the Foundation Stage.

Pupils with no prior knowledge of English may be accepted into Pre-Nursery, Nursery, and Reception classes and initially are not required to have any extra language support.

Pupils for Years 1 and 2 with no prior knowledge of English can only be accepted if agreed provision is made for an English as an Additional Language Programme (EAL) and parents should expect to be liable for the incurred costs. The duration of the EAL course will be decided by the school.

Pupils are not required to have previous knowledge of Spanish.

Primary School Key Stage 2 (Year 3- Year 6)

Entrance to Key Stage 2 requires school reports from previous years and a CAT4 baseline assessment which may take place in their current school for pupils from international schools abroad, online or in our school premises.

Pupils with no/little prior knowledge of English must agree to a programme of EAL as recommended by the school and parents should expect to be liable for the incurred costs. The duration of the EAL course will be decided by the school.

All Spanish nationals are required to follow a programme of Validation Studies (Spanish Language and Humanities) set out by the Spanish Ministry of Education in addition to the full UK National Curriculum offered by the school.

New pupils are not required to have any previous knowledge of Spanish. Pupils joining the school with a low level or no prior knowledge of the language may receive Spanish as a Second Language (SSL) classes.

Secondary Department KS3/KS4: Year 7- Year 11

Entrance to the Secondary Department requires school reports from previous years and a CAT4 baseline assessment which may take place in their current school for pupils from international schools abroad, online or in our school premises.

The reports must show consistently favourable progress academically, behaviourally and in terms of effort.

Confidential references are normally sought from the pupil's current school regarding their academic record and behaviour.

All pupils applying for entry to the Secondary Department should preferably have a good level of English and have attended a UK or a British international school. Pupils with little prior knowledge of English must agree to a programme of EAL as recommended by the school and parents should

expect to be liable for the incurred costs. The duration of the EAL course will be decided by the school.

Year 11 candidates will have preferably taken the same subjects/exam boards that are offered in the school's portfolio of iGCSEs and are subject to special approval from Head and Head of Secondary.

All Spanish nationals are required to follow a programme of Validation Studies (Spanish Language and Humanities) set out by the Spanish Ministry of Education in addition to the full UK National Curriculum offered by the school.

New pupils are not required to have any previous knowledge of Spanish. Pupils joining the school with a low level or no prior knowledge of the language may receive Spanish as a Second Language (SSL) classes.

Returning Pupils

Pupils who leave King's College School for any reason will not be automatically accepted if they wish to return.

Pupils who wish to return after a year should reapply and follow the normal Admissions procedure for their age group.

If a parent plans to remove their child from King's College School for a whole academic year (e.g. to spend Year 8 in an English boarding preparatory school), then the school can only guarantee readmission via the payment of holding fee of €1.000 per term.

Transfers between King's College Schools

Transfers between King's College Schools should occur at the end of the natural school cycle:

King's Infant School to King's College School, La Moraleja	Yr 2 to Yr 3
King's Infant School to King's College Madrid, Soto de Viñuelas	Yr 2 to Yr 3
King's College School, La Moraleja to King's College Madrid, Soto de Viñuelas	Yr 11 to Yr 12

Any transfer requests before these times should be discussed with the Head of the current school and the Head of Admissions of the school the parent wishes their child to transfer to. Transfer requests are considered on a case-by-case basis and are subject to place availability.

Transfers between other King's College schools are subject to place availability. Early transfer requests for younger siblings are neither automatic nor guaranteed.

All transfers are subject to the pupil reaching a specific minimum academic and behavioural performance in their current year group.

Equal Treatment

All candidates for admission will be treated equally, irrespective of their or their parents', race, sexual orientation, religion or belief, pregnancy or maternity, gender reassignment or any disability. Candidates will also be treated equally in respect of their parents' age, gender or marital or civil partnership status.

Confirmation of Places

All admissions to KCS are considered by the school's Admissions Panel, which comprises a member of the Senior Leadership Team (Head, Deputy Head, Head of Primary or Secondary) and the Head of Admissions. This meeting takes place upon Head of Admission's request as and when necessary.

The school will be able to accept or reject an application once all the above steps in the admissions process have been satisfactorily completed.

If KCS has not received the confirmation payment by the date stated on the offer letter, a place can no longer be guaranteed.

Register of Admissions

The register of admissions is held securely in electronic form by the Head of Admissions.

Admissions documentation for candidates who are not admitted to the school is kept for 6 months and then destroyed. Names and contact details of all parents who seek admission to the school are kept electronically for an indefinite period owing to the possibility of another approach to the school at a later date.

Disability and Special Educational Needs

KCS has limited facilities for the disabled but will do all that is reasonable to comply with its legal and moral responsibilities under Spanish law.

Parents of a child who has any disability or special educational needs must provide the Head of Admissions with full written details (including a copy of all reports prepared by an Educational Psychologist and/or other appropriate specialist where available) when registering for admission.

This information is required so that, in the case of any child with particular needs, the school can assess those needs and endeavour to make sure that facilities can be provided adequately for those needs throughout the admissions process.

The school will consult with parents and their medical advisers about the adjustments which can reasonably be made for the child, subject to the School's Accessibility Plan and usual routines and budget constraints, both during the admission process and later as a pupil.

Where the school agrees to support the provision of additional services, such as the use of extra staff or auxiliary aids, parents or guardians will be charged for these at a level that reasonably reflects the cost to the school of providing the service or facility.

Payment of Fees

For entry to KCS, once a place has been offered parents are required to confirm the reservation by making the corresponding payment of a non-returnable or refundable enrolment fee per pupil.

Children of former King's College School pupils will benefit from a discount applied to the enrolment fee.

A pupil may not start at the school until King's College School Accounts Department has received the confirmation payment.

Documentation required on application for a place

An application for a place in the school may be made electronically through the Open Apply application system accessible through our website under the Admissions tab after the online enquiry.

Parents must provide the following documents before their child commences his/her education at the school which can be uploaded to the online application form:

- A signed copy of the School's Terms and Conditions by which they agree to abide by the school regulations.
- A photocopy of either the birth certificate, the "Libro de Familia", identity card or passport.
- A passport-type photograph.
- A medical certificate or immunisation records indicating that the child has no infectious or contagious diseases, specific illness, or disability.
- Photocopies of certificates from previous schools attended, if any.
- Photocopies of school reports for the previous years (where appropriate).
